

Scheduled Appointments

Our practice is dedicated to quality care and exceptional service. We respect the importance of your time and work very hard to schedule appointments that accommodate the busy scheduling needs of our patients. In return, we ask that patients make every effort not to change reserved dental appointments. Broken and missed appointments create scheduling problems for other patients as well as the practice.

If you find that you must change your appointment, we require a minimum of 24 hour notice so that we may accommodate another patient. We reserve the right to apply a rescheduling charge for broken and missed appointments without advance notification.

Financial Options

Once a diagnosis has been made and a treatment plan designed to meet your needs, our financial coordinator will share with you the financial options available.

Payment plans

Should you desire a payment plan, this can be arranged through our partnership with Care Credit.

For your convenience, we also accept American Express, Discover, MasterCard and Visa.

Insurance

Since we are a fee for service office and you, as the patient, will be responsible for the full payment at the time of service. We will gladly file dental insurance claims and any other necessary information with your dental insurance and your insurance company will then reimburse you directly.

I have read and I understand the above disclosures.
